

Rights, Permissions, Acknowledgments and References to NMSOP-1

Rights and Acknowledgments

The **NMSOP-1 (2009) web edition** is identical with the printed NMSOP (2002) version with the exception of minor editorial corrections (e.g., elimination of typos or updating of addresses of authors). NMSOP-1 **is freely available**. Any part of it **can be downloaded and used in unchanged form for non-commercial** educational, on-the-job, research and publication **purposes**, provided that the source is correctly acknowledged:

(Copied from)

Author(s) (2009), Title of Chapter/Section/DS/EX/IS or PD No., In: Bormann, P. (Ed.). *New Manual of Seismological Observatory Practice (NMSOP-1)*, IASPEI, GFZ German Research Centre for Geosciences, Potsdam, number of pages.
DOI: No. (as given for any of these items on the first NMSOP-1 web page).

Reproduction of any part in printed or electronic form for commercial purposes as well as translation into other languages requires permission in writing. The rights for the NMSOP, both its printed and electronic versions, rest with IASPEI and has to be acknowledged accordingly. The Editor, P. Bormann (pb65@gmx.net) and the Chief Librarian of the GFZ German Research Center for Geosciences in Potsdam, Germany, Mr. Bertelmann (rab@gfz-potsdam.de), who hosts and supervises the NMSOP website, act as IASPEI agents. Therefore, **permission requests** should be addressed to either one.

For figures, tables or data in the NMSOP-1, for which other copyright holders are stated in the respective captions, the copyright requests have to be sent directly to these entities.

Granting the translation permission of the NMSOP as a whole or in parts is bound on the condition that one **reference copy** each of the issued printed or electronic material is made available to the relevant IASPEI office, the Editor and the GFZ Library. Since the latter cares for the distribution of these copies, all three should be sent to:

Helmholtz Center Potsdam
GFZ German Research Center for Geosciences
c/o Mr. R. Bertelmann, Head of Library
Telegrafenberg
14473 Potsdam
Germany

Modification of any NMSOP Figures, Tables or Movies **requires explicit permission of the respective author(s)**. For contact see List of Authors. Using modified NMSOP items in presentations or publications requires proper **acknowledgment**:

Modified from Author(s) (2009), Fig./Tab./Movie No. in Chapter/Section/DS/EX/IS No of NMSOP-1, Ed. P. Bormann.

References in publication texts

General **references in the text** of publications should be either to the Editor, when reference is made to the NMSOP-1 (2009) edition as a whole, or to the author(s) of the respective Chapter, Section (the latter only if author-wise specified in the list of contents), DS, EX, IS or PD: e.g., Wieland (2009), Nigbor (2009), or Storchak et al. (2009) (see below).

In lists of references

The full bibliographic information has to be given as follows:

Author(s) (2009), Title of Chapter/Section/DS/EX/IS or PD No., In: Bormann, P. (Ed.). *New Manual of Seismological Observatory Practice (NMSOP-1)*, IASPEI, GFZ German Research Centre for Geosciences, Potsdam, number of pages.
DOI: No. (as given for any of these items on the first NMSOP-1 web page).

Note: All Chapters or annexed complementary information items are individually page-numbered. Therefore, usually only the total number of pages for this particular contribution can be given, e.g.:

Wielandt, E. (2009). Chapter 5: Seismic sensors and their calibration, In: Bormann, P. (Ed.) *New Manual of Seismological Observatory Practice (NMSOP-1)*, IASPEI, GFZ German Research Centre for Geosciences, Potsdam, 46 pp.
DOI: 10.2312/GFZ.NMSOP_r1_ch5

or:

Storchak, D. M., Bormann, P., and Schweitzer, J. (2009). IS 2.1: Standard nomenclature of seismic phases. In: Bormann, P. (Ed.) *New Manual of Seismological Observatory Practice (NMSOP-1)*, IASPEI, GFZ German Research Centre for Geosciences, Potsdam, 18 pp.
DOI: 10.2312/GFZ.NMSOP_r1_IS_2.1

However, in the case of individual contributions of authors to a specific Section of a Manual Chapter, the respective page numbers of the Section within the Chapter should be given, e.g.:

Nigbor, R. L. (2009). Borehole strong-motion array installation, Chapter 7, Section 7.4.6, In: Bormann, P. (Ed.). *New Manual of Seismological Observatory Practice (NMSOP-1)*, IASPEI, GFZ German Research Centre for Geosciences, Potsdam, 86-107.
DOI: 10.2312/GFZ.NMSOP_r1_ch7
